

Family Office Consultancy

Family Office Consultancy

With his **background** in setting up and managing two Single Family Offices (SFO), in combination with his broad international knowledge and experience in the financial industry, Peter Nethe has a unique skillset where it comes to implementing Best Practice SFO-solutions.

Combined with the broad **experience** of Tonko Gast in financial markets, this enables Quant-Capital Asset Management to offer its clients this SFO-consultancy as an optional service available.
