FC Walvisch

FC Walvisch is a sound design & music company. The name comes from the founder and one of the most revered and awarded sound designer: Marcel Walvisch. His surname means whale. And although Marcel operates under sea level in his new studio in Amsterdam , the company is not as big as a whale. Marcel and his small, but highly skilled team specialises in the art of sound design and music composition. FC Walvisch worked with best of breed brands, ad agencies, and artists to produce award winning music and sound design. Other services are audio-postproduction, voice over recording, creating sound logo's.
